**STITCH EXPLANATIONS**
- ssk (slip, slip, knit) Slip next 2 sts as if to knit, one at a time, to right needle; insert left needle into fronts of these 2 sts and knit them tog – 1 st decreased.

- yo (yarn over)
An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:
  1. Bring yarn to front, between the needles.
  2. Take yarn to back, over the right needle. This creates the new st. You are now ready to proceed with the next st as instructed.
PATTERN STITCH
K1, p1 Rib (worked over a multiple of 2 sts + 1 additional st)
Row 1 (WS): P2, k1, *p1, k1; rep from * to last 2 sts, p2.
Row 2: K2, p1, *k1, p1; rep from * to last 2 sts, k2.
Rep Rows 1 and 2 for K1, p1 Rib.

NOTES
1. The Back and two Fronts are worked first, then the shoulders are seamed. After seaming shoulders, stitches for the sleeves are picked up along the armhole edges.
2. The Back is 2 in. (5 cm) longer than the Fronts.
3. All pieces are worked back and forth in rows on a circular needle as if working with straight needles. Circular needles are used to accommodate the large numbers of stitches.
4. The front band is worked from stitches picked along the front and neck edges of the Cardigan.
5. Work even in the instructions means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.
6. As established in the instructions means to continue in the current pattern st. For example, to continue in a rib pattern, k the knit sts and p the purl sts.
