Cut 4 strands of yarn 36 inches long and 4 strands 18 inches long.

Cut remaining yarn into 18 inch lengths. Divide into four equal groups. Fold one of the 36 inch strands in half and lay it flat on table, placing 1 of the four groups over center of doubled strand and using that to carefully tie group tightly together in the middle with a double knot. Hold ends of the doubled strand so knot becomes top of Tassel and grouped strands fall into place below it. Take an 18 inches piece of yarn and wrap tightly around Tassel 1½" below top knot to form Tassel neck. Knot securely; thread ends onto needle and weave ends to center of Tassel. Trim Tassel ends evenly.

Fasten 1 Tassel in chain-1 space in each corner of Afghan.
