Slide beads onto yarn in the following order: *A, B, A. Repeat from * until there are 19 sets of 3 beads each. Leaving a long tail of yarn, make a slip knot.

Step 1 Chain 15, enlarge last loop on hook enough to pull chain and strung beads through to create a knot.

Step 2 Slide next 3 beads down to knot.

Step 3 Make a slip knot on opposite side of beads as close to the last bead as possible. Insert crochet hook into loop of knot. Continue in this manner until all beads have been secured. Cut yarn leaving a long tail. Tie ending tail and beginning tail into a square knot. Trim ends and apply clear polish to cut ends.
