When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Yarn amount is sufficient to knit one small and one large frame.

FINISHING

Weave in ends.

Lay fabric piece onto a flat surface with WS facing up. Lay batting, then card stock centered onto fabric. Apply a strip of double sided tape along top edge of card stock. Fold fabric over tape and, working from center out, press to

secure. Rep on lower edge of card stock.

Rep for sides, trimming fabric at corners to keep it flat. Turn cardstock over and arrange crocheted piece neatly on top. Use stapler to secure your work in place, as close to the edge as possible so staples won't show from the front! Work in the same way you did as when taping the fabric. Start at the top center and work from center out, followed by the bottom and then sides.

Slide cardstock into frame.

Slide the frame backing into place.
