GAUGE:

8 sts = 6 in. (15 cm) and 4 rows = 4 in. (10 cm) in pattern with largest hook and 2 strands of A and 1 strand of B held tog. **BE SURE TO CHECK YOUR GAUGE.** When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

Notes:

1. Bobbles are worked on RS rows.
2. If you have difficulty pulling the yarn through the 17 loops on your hook, try using one of the smaller size hooks to complete the Bobble.

Bobble With 1 strand of B only, yarn over, insert hook in indicated st and draw up a loop (3 loops on hook). (Yarn over, insert hook in same st and draw up a loop - 2 more loops on hook) 7 times (17 loops on hook), yarn over and draw through all loops on hook; with all 3 strands held tog, ch 1. **Note:** The ch 1 does not count as a st. To work into a Bobble on the following row, work into the loop at the top of the Bobble, do not work in the ch-1.
sc2tog (sc 2 sts together) Insert hook into st and draw up a loop. Insert hook into next st and draw up a loop. Yarn over, draw through all 3 loops on hook - 1 st decreased.

NOTES:

1. Top is worked in 4 pieces; Front, Back, and 2 Sleeves.
2. Ribbed turtleneck is worked sideways around neck edge.
3. Ribbing is worked with 1 strand of A only. Body of Front, Back and Sleeves are worked with 2 strands of A, and 1 strand of B held tog throughout. Read through pattern carefully to be sure that you are using the correct yarn(s).
4. Bobbles are worked on RS rows with 1 strand of B.
5. Stitches between Bobbles are worked with 2 strands of A and 1 strand of B held together.
6. Take care to crochet loosely.
