GAUGE:

9 sts + 13 rows = about 4 in. (10 cm) in St st worked in rows (k on RS, p on WS) with one strand each of A, B, C, E and H held tog.

Gauge Note: Your gauge will vary throughout the project as you add and subtract strands. BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

M1 (make 1) An increase worked by lifting the horizontal thread lying between needles and placing it onto left needle. Knit this new stitch through the back loop - 1 st increased.

ssk (slip, slip, knit) Slip next 2 sts as if to knit, one at a time, to right needle; insert left needle into fronts of these 2 sts and knit them tog - 1 st decreased.

NOTES:

1. The Body is worked in one piece in the round from lower edge up to armholes, then sts are divided for Front and Back. Front and Back are worked back and forth in rows on circular needle, as if working on straight needles.
2. Pullover is worked with multiple yarns held tog. The design is meant to encourage creativity - feel free to

work a few sts more with your favorite yarn before changing to the next color.

3. When changing colors or yarns in the middle of a row leave long yarn tails to weave in later.

4. Where markers are placed, slip markers on every round or row.

5. Read through instructions carefully before beginning, noting that some sections of the instructions are divided by size.

BODY

With one strand each of A, B, C, E and H held tog, cast on 90 (110, 130) sts.

Place a marker for beg of rnd. Join by working the first st on left hand needle with the working yarn from the right hand needle and being careful not to twist sts.
