## GAUGE:

29 sts + 30 rows = 4 in. (10 cm) in K2, p2 Rib (slightly stretched).

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

## STITCH EXPLANATION:

**pbf (purl into back and front)** Purl the next st through the back loop without removing it from left needle, then p through front of same st - 1 st increased.

**skp** Slip 1 as if to knit, knit 1, pass slipped stitch over knit stitch - 1 st decreased.

**ssk (slip, slip, knit)** Slip next 2 sts as if to knit, one at a time, to right needle; insert left needle into fronts of these 2 sts and knit them tog - 1 st decreased.

## PATTERN STITCHES

**K1, p1 Rib (worked over a multiple of 2 sts + 1 additional st)**

**Row 1 (WS):** K1, \*p1, k1; rep from \* to end of row.

**Row 2:** K the knit sts and p the purl sts.

**K3, p2 Rib (worked over a multiple of 5 sts + 2 additional sts)**

## NOTES:

1. Back, Front and Sleeves are worked in rows back and forth on a circular needle as if working on straight needles. Sts for the neckband are picked up and worked in the rnd on circular needle.
2. Back, Front and Sleeves all begin with a Corded Flounce. A corded edge and a corded row are worked on each piece.
3. When you see 'as established' in the instructions, this means to continue in the current pattern st. For example, to continue in a rib pattern, k the knit sts and p the purl sts.
4. When you see 'work even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.
