GAUGE:

16 sts + 22 rows = about 4 in. (10 cm) in Basketweave with circular needle.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

STITCH EXPLANATION:

sk2p Slip 1 as if to knit, knit 2 together, pass slipped stitch over – 2 sts decreased.

M1 (make 1) An increase worked by lifting the horizontal strand lying between needles and placing it onto left needle. Knit this new stitch through the back loop – 1 st increased.

NOTES:

1. Afghan is worked in one piece, including borders, on a circular needle.
2. A circular needle is used to accommodate the large number of sts. Work back and forth in rows on circular needle as if working on straight needles.
3. Basket motif is worked in intarsia colorwork following a chart. Use a separate ball of yarn for each color section. Twist yarns on WS to prevent holes.
4. When working from chart, work in St st (k on RS, p on WS) and read RS rows from right to left and WS rows from left to right.
5. Basket Handle, Flowers and Leaves are worked separately, then sewn to Afghan.
6. Instructions are provided for Flowers and Leaves as shown – but this design is meant to encourage creativity, we suggest that you make Flowers and Leaves in colors and numbers as desired!
7. Trellis lines are embroidered onto basket after knitting is complete.
