8 x 28yd/26m

Metallic: Weight Category 2: Sport Weight
8 x .35oz/10g
8 x 38.3 yd/35m

MATERIALS NOTE
Materials are sufficient to make 2 Bags.
16 sts + 22 rows = about 4 in. (10 cm) in St st (k on RS, p on WS).

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

STITCH EXPLANATION:

**yo (yarn over)**
An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:
1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle. This creates the new st. You are now ready to proceed with the next st as instructed.

PATTERN STITCH
**K1, p1 Rib**
Row 1: *K1, p1, rep from * to end of row.
Row 2: K the knit sts and p the purl sts.
Rep Row 2 for K1, p1 Rib.

NOTES:
1. Bag is worked in one piece.
2. Front of Bag is embroidered with simple sts, then Bag is folded and seamed.
3. Braided drawstring is made separately

GIFT BAG
With A, cast on 30 sts.
Work in K1, p1 Rib for 4 rows.
**Next Eyelet Row (RS):** K2, *k2tog, yo, k4; rep from * to last 4 sts, k2tog, yo, k2.
Beg with a WS (purl) row, work in St st (k on RS, p on WS) until piece measures about 15 in. (38 cm) from beg, end with a WS (purl) row as the last row you work.
Rep Eyelet Row.
Work in K1, p1 Rib for 4 rows.
Bind off.

FINISHING
Note that the Bag will be folded, so one half will be the front, the other the back of Bag.

Embroidery
Draw a triangle onto paper, about 4 in. (10 cm) tall with a base about 5 in. (12.5 cm) wide. Cut out the triangle shape.
Lay Bag onto a flat surface and pin paper triangle to center of front of Bag.
With B in a color as desired threaded into blunt needle, embroider straight sts just outside the paper tree shape.
Remove paper shape, leaving the embroidered tree outline on the Bag.
With another color of B as desired, fill in the tree shape by embroidering cross stitches across every other row of the Bag, within the tree shape.
With another color of B as desired, embroider scattered French knots between the rows of cross stitches.
With another color of B as desired, embroider a straight st with a cross st on top of the straight st to make a star at the top of the tree.
With another color of B as desired, embroider 4 cross sts centered across base of tree for trunk. Continuing with same color of B, embroider 2 more rows of cross sts to complete the trunk.
Fold piece in half and seam sides.
Weave in ends.

**Braided Drawstring**
Cut 3 strands of B in colors as desired, with each strand about 1 yd.(1 m) long.
Knot strands together at one end.
Braid strands for about 20 in. (51 cm), then knot together.
Trim yarn ends.
Weave drawstring through the eyelets around top edge of Bag.
