#### GAUGE:

11 sts + 10 rows = about 4 in. (10 cm) in Hdc and Sc Rows pattern.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

## NOTES:

1. Cardigan is worked in 4 pieces: Body, Collar, and 2 Cuffs.
2. Body is worked in one piece from side to side beg at right sleeve, working across back and fronts and ending at left sleeve.
3. The left and right fronts are very narrow. The Collar provide the additional width to the fronts.
4. Collar and Cuffs are worked separately and sewn to Body.
5. When you see 'work even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing or decreasing.
