NOTES

1. Tunic is worked in 4 pieces: Back, Front and 2 Sleeves.
2. Each piece is worked back and forth in rows, beginning at lower edge. Each row begins and ends with a Garter st (knit every st on every row) selvedge st. Selvedge sts are used in seaming.
3. Long circular needles are used to accommodate the number of sts. Work back and forth on the circular needle as if working on straight needles.
4. Back is longer than Front. Front and Back are seamed at right side but are only seamed for about 3 in. (7.5 cm) at the top of the left side.
5. On our designer sample Tunic, we rewound the balls of yarn A, so that the color changes in this yarn occurred at the same points on the Tunic. If you like, you can use yarn A directly from the ball, allowing the changing colors to fall organically as they may.
6. After shoulders are seamed, stitches are picked up around neck edge and neckband is worked in rnds on the circular needle.
