GAUGE:

12 sts + 32 rows = about 4 in. (10 cm). BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

1. Follow loom manual instructions for SINGLE KNITTING for how to cast on, knit, purl, and bind off.
2. Sweater is worked in 5 pieces: 1 Back, 2 Fronts, and 2 Sleeves.
3. The loom is configured into a rectangle for stability.
4. Finished Sweater is blocked by machine washing and drying.
